## PartnerSHIP 4 Health

*Charting a course for good health*

**Dear Keely,** welcome to the May PartnerSHIP 4 Health e-newsletter. In this edition you will find information on:

- Area teachers using new curriculum and bike fleets to encourage active living
- July 18th Health Equity Summit in Moorhead
- A community uniquely celebrating May as National Bike Month through group bike rides
- One Vegetable One Community seed sharing project launch
- City of Battle Lake unveiling new street redesign and community sponsored artwork
- Tobacco Free 4 Health sponsorship of youth leadership and advocacy training

### TOBACCO-FREE 4 HEALTH

Is offering a  
FREE Youth Leadership  
Camp in Detroit Lakes  
June 24 - 26th

We are partnering with Community Blueprint out of Minneapolis to provide a tobacco prevention and advocacy training event. Youth will learn about Big Tobacco Marketing, complete store audits to look at the tobacco advertising, screenprint, make buttons, and create a video about all they learned at the training!

## Save the Date

**Health Equity Summit** will be held in Moorhead on July 18th

Healthy equity is achieved when every person has the opportunity to "Attain his/her full health potential" and no one is "disadvantaged from achieving this potential because of social position or other socially determined circumstances". If you are a human service organization serving vulnerable populations then this summit is for you.

## Battle Lake to Unveil New Streetscape & Community Art June 7

For the past two years city officials and residents have worked towards a complete streets design for a section of Hwy 78 through Battle Lake. Residents worked tirelessly on several permanent art projects that accompany the new street design. A ribbon cutting ceremony will take place on June 7th to celebrate the new streetscape and community created art.
